

SCHEDULE OF ENTRANCE FEES AND ANNUAL DUES FOR 2019

ENTRANCE FEES

Entrance fees may be paid in full upon joining the Club or in installments over a period of years, depending on membership category. The initial installment is due upon joining the Club and the balance the succeeding years. If the member becomes in arrears on any payment to the Club (Entrance fee installment, Annual Dues or house account,) the full outstanding balance of the installments will become immediately due and payable. No use of the Club is permitted until the member has paid the first installment of the fees.
